Head Coach Position Summer 2022

Agassiz Harrison Aquanauts Summer Swim Club is accepting applications for a Head Coach for the 2022 Summer season (May to mid-August).

AHA is a growing club of 60-70 swimmers. Our swimmers are a mix of recreational, development and competitive swimmers ranging in age from 5-18. AHA practices at the Ferny Coombe pool, a 6-lane outdoor swimming pool in Agassiz, BC, Monday to Friday afternoons with morning practice times added in the summer months.

We are looking for enthusiastic and high energy individuals that are able to engage all of our swimmers, from beginner to development, and our competitive Provincial Qualifiers. Focus will be on swimmer development, stroke improvement and speed technique, but most importantly we are looking for individuals who are able to foster a fun and supportive environment for all swimmers.

An ideal candidate for a head coach with AHA is able to meet the following criteria:

- NCCP Swimming 101; current NLS (pool), WSI certification;
- Minimum 2 years of experience coaching competitive swimmers (previous experience in a leadership role within a swimming organization would be an asset);
- Be prepared for each practice by working in collaboration with Assistant Coaches to develop workout plans that are appropriate for each swim group;
- Demonstrates strong leadership skills combined with excellent organization and communication skills;
- Able to work with children and youth to foster a fun and engaging environment for swimmers of various abilities and commitment levels;
- Maintains professional working relationships with all coaching staff, executive members and parents;
- Be a positive role model to all swimmers by consistently demonstrating enthusiasm, energy and a high level of commitment;
- Respect and adhere to NCCP Coaching Code of Ethics and all AHA Swim Club policies and procedures;
- Can commit to all Fraser Valley region swim meet dates, including Regional Championships and Provincials;
- Clear Criminal Record Check;
- Valid driver's license.

Salary is negotiable based on previous experience.

Application Deadline: February 28th, 2022
